Project Management

Application of proven standard methods and fully tested custom techniques to ensure project success.

Subcontract Management

A process driven approach coupled with personal interaction for managing critical subcontracted items.

Proposal Management

Utilizing a proposal response methodology consistent with industry best practices and standards. A winning solution.

Company Profile

The Cardigan Group is a Project Management Services Company operating in the Ottawa area since 1996.

For over 12 years, The Cardigan Group Inc. has provided Project Management Support Services in the Ottawa, Ontario Region. Clients have included major defence contractors, high tech firms, construction and the Canadian Government.

Our strength is derived from our broad spectrum of project experience in a wide variety of industries

Our services focus on success, ensuring projects are completed on schedule and on budget and the delivered product is of the highest quality..

Training courses introducing students to Project Management are developed based on the PMI PMBOK. Courses are custom designed to meet the specific needs of the students and the organization. The result is training that is directly related to the work setting.

The Cardigan Group can provide services for term positions ranging from a few days to several months.

Think of the Cardigan Group when:

- You need an experienced Project Manager for a short term project
- You have a difficult subcontractor that needs special attention
- You need help to prepare a winning proposal
- Your team needs specialized project management training
